Thank you for agreeing to participate in this survey. The purpose of this survey is to learn how students in our schools feel about their community, family, peers, and school. The survey also asks about health behaviors.

The survey is completely voluntary and anonymous. DO NOT put your name on the questionnaire.

This is not a test, so there are no right or wrong answers. We would like you to work quickly so you can finish.

All of the questions should be answered by completely filling in one of the answer spaces. If you do not find an answer that fits exactly, use the one that comes closest. If any question does not apply to you, or you are not sure what it means, just leave it blank. You can skip any question that you do not wish to answer.

Please mark each question by completely filling in the circle or circles. ONLY USE A #2 PENCIL.

Please fill in the following information with the help of your teacher/survey assistant.
